

Industrial General Permit Storm Water Compliance Training

Training designed for facilities covered under General Permit for Storm Water Discharges Associated with Industrial Activities

Trainer: Fatih Konus, PhD, QISP

Location: At the facility covered by the storm water plan. CEG office is available if necessary.

Dates: To be coordinated with the facility

Duration: Approximately 4 hours

Cost: Cost will depend on the extent of the training requested. The trainer will visit the site in order to prepare a site-specific training.
